FOR SALE—HOUSES.

The most remarkable proposition offered in real estate. A beautiful residence of red stone, containing eighteen large rooms, conservatory, three baths, laundry and servants' rooms. The house has a frontage of 50 feet, giving ample width for the interior arrangement, which is unusually attractive. No detail has been omitted to make this one of the most attractive homes around this city. The grounds are ample, containing 300,000 square feet, with over 900 feet frontage on street. The elevation is fine, with an abundance of shade. The outlook very attractive. Large stone stable in the

rear. Estimated value of ground, on the same basis that the adjoining property sold, is over \$75,000. The house cost \$48,000 to build. It is in first-class order and clear of incumbrance, and can be sold for a little less than \$45,000. Investigate this. You will be convinced of its value.
